

CHRISTMAS TREE ORNAMENT FRAME

MATERIALS:

Coloring or paint utensils

Glue or tape

Ribbon

Scissors

Decorations
(pom poms, glitter, stickers, gems, etc.)

3 Popsicle sticks per tree

Brown construction paper

A picture

INSTRUCTIONS:

1. Color or paint the popsicle sticks. Glue together into the shape of a triangle.
2. Cut the ribbon, loop it and glue to the top back of the tree shape.
3. Cut a small square out of the brown construction paper for the tree stump and glue it to the bottom of the tree.
4. Cut and glue/tape your picture to the back of the tree with the picture showing through the front.
5. To finish, decorate the tree with the decorations of your choice.
