

TOILET PAPER ROLL PUMPKIN CRAFT

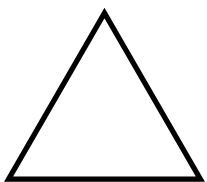

Items needed:

- Glue stick
- Scissors
- Orange, black, green, brown construction paper
- Toilet paper roll
- Pencil
- Black Crayon (optional)
- Tape

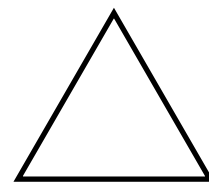

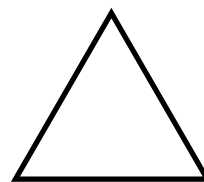

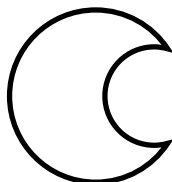

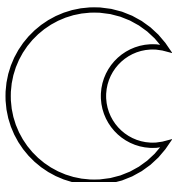

Instructions:

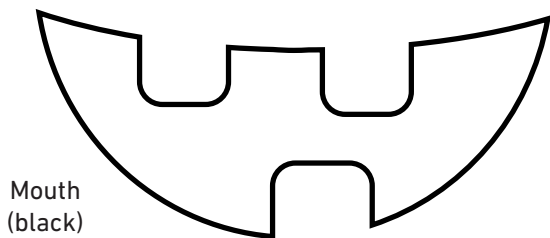

1. Wrap orange construction paper around the toilet paper roll, hold in place with a piece of tape on the back and trim the excess off.
2. Cut and trace pumpkin stencils on construction paper.
 - Face-black paper
 - Stem-brown paper
 - Leaf & vine-green paper
3. Cut all pieces from construction paper.
4. Glue face pieces to front of roll.
5. Use tape to secure stem and leaf to the inside of the roll.
6. Wrap the thin piece of green paper around a pencil to get it to spiral like a vine.
7. Tape the vine to the inside of the roll next to the stem.
