CHRISTMAS TREE PONY BEAD ACTIVITY

SUPPLIES:

Tape (to help hold the key ring down while working on project)

Key Ring

72 inches crafting string

Pony Beads:

45 - Green

10 - Yellow

10 - Red

4 - Brown

INSTRUCTIONS:

1. Take your sting and fold in half to put the keyring through the folded end and then stick the 2 ends through the loop.

2. String 1 yellow bead onto the right string.

3. Take the left string and send it through the bead in the opposite directions. Pull tight.

4. Put 1 green bead on the right string and repeat step 3.

5. Continue pattern until you get to the brown beads.

6. After the last row of green and yellow beads is strung on you are going to loop the left string back through the 5th, 6th, & 7th bead. Take the right string and loop through the same 3 beads.

7. Continue pattern with brown and red beads using step 3.

8. Tie knots on each side of last row and cut extra string off.
