

POPSICLE STICK PUMPKIN CRAFT

Items needed:

Orange & black Marker
Pencil
13 popsicle sticks
Glue
Tape
Green pipe cleaner

Instructions:

1. Color 12 of the popsicle sticks orange and line them up vertically.
2. The popsicle stick that is not colored will be glued onto the back horizontally
3. Centered in the middle to keep the sticks together.
4. Use the pencil to draw a face onto the sticks. Use the black marker to trace over the penciled in face to make it stand out more.
5. Make a "V" with the green pipe cleaner and taped above the horizontal popsicle stick on the back of the craft.
6. To finish, curl both sides of the green pipe cleaner that are sticking up above the craft to give them the look of a vine.
