

POPSICLE & HANDPRINT CORN CRAFT

Supplies

- Scissors
- Pencil
- Black marker
- Yellow marker
- Green crayon or marker
- Brown construction paper
- 3 – popsicle sticks
- Glue

Instructions

1. Color the husk stencil (below) green and cut from paper.
2. Color the 3 popsicle sticks yellow. Glue them to the center of the husk.
3. Trace hand with pencil or marker on brown construction paper.
4. Cut out traced hand and glue on husk above the 3 popsicle sticks.
5. To finish, take a black marker and draw stripes on the popsicle sticks to make them look like corn kernels.
