

DUCKLING HANDPRINT CRAFT

Supplies

- Scissors
- Pencil/marker
- Green, yellow, orange & brown construction paper
- Glue/tape
- Googly eye (optional)

Instructions

1. Cut out templates. Trace templates on construction paper.
 - Green or yellow for the duck head
 - Yellow or orange for the duck bill & feet
2. Trace hand on the brown or yellow construction paper. Cut out traced hand.
3. Glue the duck's head to the thumb of the handprint.
4. Glue the bill halfway on the edge of the head.
5. Glue the feet to the bottom and back of the handprint body.
6. Finish it off by drawing on an eye or gluing a googly eye on the head.
