

# HANDPRINT APPLE TREE

## MATERIALS:

Scissors  
Pencil  
Brown & green construction paper

5-7 red pom poms  
Glue

## INSTRUCTIONS:

1. Trace and cut hand and part of arm on brown construction paper.
2. Place the cut out on the green construction paper and draw a cloud like image around the handprint branch cut out.
3. Cut the cloud like image out and glue the handprint cut out to the middle of the image.
4. To finish, glue red pom poms onto the tree image to give the look of an apple tree.
