HANDPRINT CORN CRAFT

Items needed:

Scissors

Pencil

Coloring Utensils

Green Construction Paper

Glue or Tape

Steps

1. Trace your hand with a pencil on green construction paper. Cut out traced handprint.
2. Color & cut out corn stencil.
3. Glue/tape one handprint on the front of the corn stencil. Glue/tape the other hand to the back of the corn stencil so the fingers are sticking out from the side.
