

Handprint Toilet Paper Roll Flower Craft

Materials:

Glue stick | Scissors
Construction paper (Green & your
choice color for the flower)
Toilet paper roll | Pencil | Tape

Instructions:

1. Wrap green construction paper around the toilet paper roll, hold in place with a piece of tape on the back and trim the excess off.
2. Trace and cut hand out on your choice color construction paper.
3. Cut a small slice on top of opposite sides of the toilet paper roll to hold your handprint at the top of the roll.
4. To finish, cut and glue leaves to the bottom of the roll.
