Email (Please Provide)

Text (Please provide)

Please list any specific issues (Local, State, or Federal) that our County Farm Bureau should be working on to improve our members financial stability and quality of life.

What is the most important thing Farm Bureau could do this year to improve the economic well-being of agriculture and enrich the quality of family farm life?

The organization's strength is based upon the willingness of volunteers to dedicate time and expertise in various committee areas. Help by serving on one of Farm Bureau's committees. Most committees meet 2-4 times a year. If you are interested please mark which committees you would like to be involved in below.
