

REINDEER

HANDPRINT & POPSICLE STICK CRAFT

MATERIALS:

Glue

Scissors

Construction paper (dark brown and light brown)

Brown coloring utensil

Pencil

Googly eyes

1 red pom pom

3 popsicle sticks

INSTRUCTIONS:

1. Color the 3 popsicles sticks brown. Glue them into a triangle.
2. Measure and cut a triangle with the light brown construction paper. Glue it to the back of the colored triangle.
3. With the point of the triangle pointing down glue the pom pom on as the nose. Also glue on the googly eyes.
4. Trace and cut out handprints on the dark brown construction paper.
5. To finish, glue the hand prints to each side of the back top of the triangle to make them look like the reindeer antlers
