

TURKEY HANDPRINT CRAFT

MATERIALS

- Coloring utensils
- Construction paper – Orange, Blue, Red, & Green
- Scissors
- Pencil
- Glue

INSTRUCTIONS:

1. Trace hand on orange, blue, red, and green construction paper. Cut out traced handprints.
2. Color and cut out turkey stencils. Or trace the turkey templates on constructions paper and cut each piece out.
3. Glue beak below the eyes of the turkey head.
4. Glue the turkey snood below the beak. The snood can be straight up and down or sway to the side.
5. Glue the feet to the bottom of the turkey belly.
6. Fan out the colored handprints, then glue the completed turkey onto the handprints.
