

PAPER TOWEL ROLL ROOSTER CRAFT

MATERIALS

- Paper towel roll
- Red, yellow, white, orange, blue & green construction paper
- Black marker
- Scissors
- Googly eyes
- Pencil
- Glue
- Tape

INSTRUCTIONS:

1. Measure, cut and tape the white construction paper to the paper towel roll.
2. Cut out the rooster templates and trace on construction paper. (beak=yellow, feet=orange, snood=red)
3. Cut out the traced rooster parts.
4. Trace hand on red construction paper and cut out.
5. Glue on google eyes, beak, and snood to the paper towel roll.
6. Make a small cut to the top front and back of the paper towel roll to place the red hand cut out.
7. Tape the feet to the bottom, inside of the paper towel roll.
8. Cut 8-10 half inch wide strips in all colors of the construction paper. Make them in all different lengths.
9. Roll the strips onto a pencil to give the paper a curl.
10. Tape the curled strips to the back of the rooster.
11. To finish, use a black marker to make eye lashes above the googly eyes.
