

OWL PENCIL HOLDER CRAFT

MATERIALS

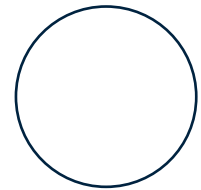

- Coloring utensils
- Construction paper
- Scissors
- Tape
- Glue
- Tin Can

INSTRUCTIONS:

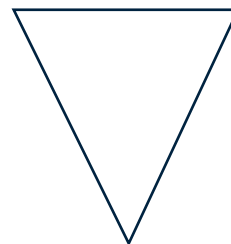

1. Cut out the owl templates and trace on your choice of color construction paper.
2. Draw a design of your choice on the wings and outer eye. Also, draw eyes for the inner eye.
3. Measure, cut and tape your choice of construction paper to the tin can.
4. Glue the eyes towards the top of the tin can.
5. Glue the nose below and in between the eyes.
6. Towards the bottom of the tin can glue the bottom of the wings letting the pointy top of the wings flap freely.
7. To finish, draw your choice of designs in the center between the wings. Fun options include: lines with dots, curls, circles, or swirly lines.
