

CHRISTMAS TREE

HANDPRINT CRAFT

MATERIAL:

Glue

Scissors

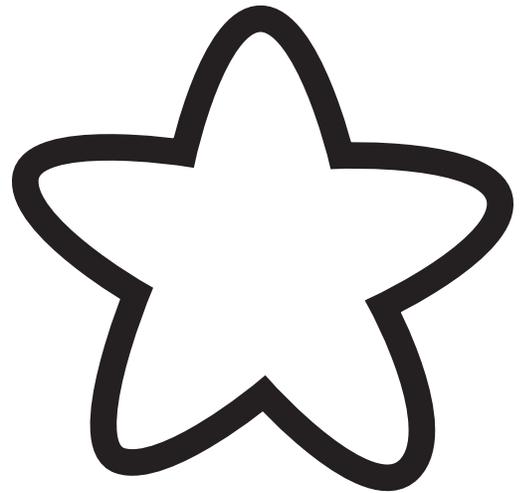

Pencil

Construction paper

Decorations of your choice (buttons, pom poms, stickers, gems, etc.)

Coloring utensils (optional)

Tree templates (provided)

INSTRUCTIONS:

1. Cut and color star and tree stump template. Or trace and cut out on colored construction paper.
2. Trace and cut out hands on green construction paper.
3. Place the traced hand downward with fingers facing down. Overlap and glue where the pinky fingers and palms meet giving the appearance of a tree.
4. Glue the star to the top and the stump under the draped fingers.
5. To finish, decorate the tree.
